HANDBALL DAILY NEWS

5th EUROPEAN UNIVERSITIES HANDBALL CHAMPIONSHIP

Nicosia, Cyprus

15 June 2010

First two days impressions

The handball games of the 5th European Championship have already started since yesterday with quite impressive battles between men but also women. From the men's teams, the Portuguese, the Turkish and the Serbians have stood out whereas from the women's teams, the Belarusian and the French look determine to reach the top!

During both days of the games there were many fans and families with children mostly dominated. At the games, what mostly stands out is the coaches' voice as they yell trying to give directions, the excellent refereeing and.....the huge consumption of water!

Outside the fields, the students fill the clubs around the Hilton Park having a blast while they also take care to invite people at the Hotel's swimming pool.
